ABOUT DESIGN LAB at PDC

provides a platform to explore art that addresses the design center's unique context of interior design, spanning a variety of disciplines and media. Exhibition space as well as site-specific commissioned work is considered for artists and curators upon invitation. For further program information visit www.pacificdesigncenter.com. Design Lab at PDC is conceived and directed by New York-based curator Helen Varola and made possible by the generous support of Charles S. Cohen, collector and museum trustee at MOCA at the Pacific Design Center.

In 2012, exhibits at the PDC received critical acclaim in several art publications including *Art in America*, *Artforum* (Critic's Pick) the *LA Times* and *Flesh Art*. Throughout the year, galleries were invited to participate in important international art fairs and events such as Salone, Design Miami, Art Dubai, Pacific Standard Time, Art Los Angeles Contemporary, and ArtPlatform.

MOCA Pacific Design Center is open 11:00 - 5:00 PM, Tuesday - Friday; 11:00 - 6:00 PM on Saturday and Sunday; and closed on Monday.

Admission to MOCA Pacific Design Center is always free.

Design Lab at PDC is located on the second floor of the Blue Building and most galleries are open Monday - Friday from 11:00 - 6:00 PM or by appointment on Saturday. Enter Pacific Design Center's Blue Building on Melrose and use the escalators or elevators to the second floor.

For private appointments after hours or on weekends, please enter from the garage or San Vicente entrance and PDC's concierge will direct you to the gallery. Valet, garage, and street parking is available and complimentary parking for press is available by calling one day in advance at 310-360-6417.
