

*Another Year in LA*

*Robin Hill's "Kardex" piece includes sounds by composer Sam Nichols.*

## Get the soundtrack too

In "**Kardex**," artist Robin Hill's installation of a simple steel filing cabinet, each drawer reveals one of 29 photographic images of an ear. When the drawer slides open, the individual ear is accompanied by associated sounds created by composer Sam Nichols. So go ahead, open it.

— CYNTHIA DEAN
